# CONSTRUCTION BULLETIN

No. 2001-1 Issuing Office: CECW-ET Issue Date: 01/26/01 Exp. Date: 31 DEC 03

**CECW-E**

**Subject:** USACE Awards for Construction Management Excellence and Hard Hat of the Year

**Applicability:** INFORMATION

1. Purpose: This Construction Bulletin (CB) updates and reissues previous CB 97-4, dated 31 December 1999 and CB 96-18, dated 31 December 1998. The requirements specified in these previous CBs remains unchanged for both of these awards.
2. National Awards: In 2000 we created two (2) new national awards. One of these is the National Construction Management Excellence Award and the other is the National Hard Hat of the Year Award. Both of the awardees were selected from nomination packages provided by the Major Subordinate Commands (MSC), Huntsville Engineering Center and the Transatlantic Programs Center. The selection criteria for these new awards is based on the criteria specified in the two previous CBs noted above. Nomination packages for these awards should be provided to CECW-ET by 2 January of each year.

DWIGHT A. BERANEK, P.E.  
Chief, Engineering and Construction Division
